

REDLANDS ADVENTIST ACADEMY

IMMUNIZATION REQUIREMENTS

Updated: 3/7/2024

To qualify for admission into Redlands Adventist Academy, your student needs to have the immunizations in the table below. While there may be a few differences in the number of each vaccination that your student needs to have depending on when the dose was administered, what's listed below is the most common way to meet the requirements.

Please note: we do not currently require your child to be vaccinated for COVID-19.

GRADE NUMBER OF DOSES REQUIRED OF EACH IMMUNIZATION					
K-12	4 Polio	5 DTap	3 Hep B	2 MMR	2 Varicella
7th-12th	K-12 doses	+ 1 Tdap			

DTap/Tdap = diphtheria toxoid, tetanus toxoid, and acellular pertussis vaccine

Hep B = hepatitis B vaccine

MMR = measles, mumps, and rubella vaccine

Varicella = chickenpox vaccine
