Tuition Rates

Members of the Seventh-day Adventist Church support Adventist education with substantial church and conference subsidies. Therefore, students and/or families who are members of the Seventh-day Adventist Church are charged the **constituent rate**.

Students whose families are not members of the SDA church are charged the **non-constituent rate**.

Students who require an I-20 Form for their visas are charged the **international tuition rate**.

Most educational costs are included in tuition for grades K-12. Please refer to a list of additional charges for all grades at another section in this brochure.

Billing Procedures

The annual tuition amount is the cost of attending RAA for a school year. For your convenience, the annual tuition charge is divided into 11 installments and billed July through May. The monthly installment plan is designed to divide the cost over 11 months and does not signify the cost per month to attend RAA. A monthly statement will be emailed to the financially responsible party. Monthly payments are due and payable in accordance with the payment schedule. No refund will be given for extended absences or vacation periods.

Early Withdrawal

When a student prematurely withdraws from school, a parent or responsible party must fill out a withdrawal form with the office. A student who withdraws during the school year will have the annual tuition prorated. This may result in a credit or a balance on the account, depending on the date of withdrawal.

Mid-Year Enrollment

A student who enrolls after the beginning of the school year will have the tuition prorated with additional charges added based on grade level and the date of enrollment.

High school students may only enroll up to two weeks after the start of each semester to receive semester credit.

International Students

Students on an I-20 visa are required to pay a \$350 non-refundable application fee. These students are charged the international tuition rate which must be paid in advance, prior to the issuance of the I-20 visa.

The online FACTS Grant and Aid application must be completed to be considered for financial assistance. You maximize your access to financial assistance by applying early.

Registration

Outstanding accounts at RAA or other SDA schools must be cleared prior to registration at RAA.

All students must apply or re-enroll online through FACTS. Registration is not complete until the first tuition payment due has been paid.

A \$150 non-refundable fee for all new applications is paid upon submitting the application. Applications submitted after July 1 are considered late and will be charged a \$200 non-refundable fee.
