2024-2025 Financial Policies

Tuition Rates

Members of the Seventh-day Adventist Church support Adventist education with substantial church and conference subsidies. Therefore, students and/or families who are members of the Seventh-day Adventist Church are charged the **constituent rate**.

Students whose families are not members of the SDA church are charged the **non-constituent rate**.

Students who require an I-20 Form for their visas are charged the **international tuition rate**.

Most educational costs are included in tuition for grades K-12. Please refer to a list of additional charges for all grades at another section in this brochure.

Billing Procedures

The annual tuition amount is the cost of attending RAA for a school year. For your convenience, the annual tuition charge is divided into 11 installments and billed July through May. The monthly installment plan is designed to divide the cost over 11 months and does not signify the cost per month to attend RAA. A monthly statement will be emailed to the financially responsible party. Monthly payments are due and payable in accordance with the payment schedule. No refund will be given for extended absences or vacation periods.

Early Withdrawal

When a student prematurely withdraws from school, a parent or responsible party must fill out a withdrawal form with the office. A student who withdraws during the school year will have the annual tuition prorated. This may result in a credit or a balance on the account, depending on the date of withdrawal.

Mid-Year Enrollment

A student who enrolls after August 31 will have the tuition prorated based on the date of enrollment.

***Grade 6 will be incorporated into Middle School which will include grades 6-8. In this transitional year, tuition rates for 6th grade will not be changed.*

Tuition Assistance

Redlands Adventist Academy does not want finances to be an obstacle that prevents a student from receiving an education at RAA. There are sources of tuition aid available which are outlined in the Financial Aid & Scholarship Program page on the website. The online FACTS Grant and Aid application must be completed to be considered for financial assistance. You maximize your access to financial assistance by applying early.

Registration

Outstanding accounts at RAA or other SDA schools must be cleared prior to registration at RAA.

All students must apply or re-enroll online through FACTS. Registration is not complete until the first tuition payment due has been paid.

Application Fee

A \$150 non-refundable fee for all new applications is paid upon submitting the application. Applications submitted after July 1 are considered late and will be charged a \$200 non-refundable fee.

Continuous Enrollment Fee

All re-enrolling students will be charged the continuous enrollment fee in the first week of April as follows: \$150 for the 1st child in a household, and \$100 for each additional sibling. Students who opted out, but who decide to return after July 1st will be charged a \$200 non-refundable fee.

Students with unpaid accounts will not be permitted to take semester exams and participate in school-sponsored activities and/or trips. No refunds will be granted for any days missed due to delinquency-related withdrawal.

A family whose account has been delinquent for several months will be required to sign-up for an automatic plan the following year.
