Application Fee: A non-refundable fee is required for all new applicants and must be paid at the time of submission. Please note that this fee scales based on the date of application, with tiers for Early Bird, Priority, Regular, and Late enrollment. Applying earlier ensures the lowest possible rate.

Continuous Enrollment Fee: All returning students are required to pay a non-refundable continuous enrollment fee to secure their placement for the upcoming year. We are pleased to offer a multi-child discount, with a reduced rate applied for each additional sibling after the first student.

Note: Students who have previously opted out and choose to re-enroll after the July 1st deadline will be subject to an increased late re-enrollment fee.

For further details on sibling rates and specific deadlines, please visit the Continuous Enrollment page on our website.

Constituent Discounted Rate: Members of the Seventh-day Adventist Church support Adventist education with substantial church and conference subsidies. Therefore, students and/or families who are members of the Seventh-day Adventist Church are charged the constituent rate

Non-Constituent Rate: Students whose families are not members of the SDA church are charged the non-constituent rate.

International Rate: Students who require an I-20 Form for their visas are charged the international tuition rate.

Financial Aid & Scholarships: We understand that investing in your child's education is a significant commitment, and we strive to make it accessible to as many families as possible. We are committed to working with each family to explore various options and ensure that financial barriers do not prevent students from attending our school. By providing financial aid, we aim to create the opportunity for every student to benefit from private, Seventh-day Adventist Christian, education.
