2026-2027 // FINANCIAL POLICIES

Tuition Rates

Members of the Seventh-day Adventist Church support Adventist education with substantial church and conference subsidies. Therefore, students and/or families who are members of the Seventh-day Adventist Church are charged the **constituent rate**.

Students whose families are not members of the SDA church are charged the **non-constituent rate**.

Students who require an I-20 Form for their visas are charged the **international tuition rate**.

Most educational costs are included in tuition for grades K-12. Please refer to a list of additional charges for all grades at another section in this brochure.

Billing Procedures

The annual tuition amount is the cost of attending RAA for a school year. For your convenience, the annual tuition charge is divided into 11 installments and billed July through May. The monthly installment plan is designed to divide the cost over 11 months and does not signify the cost per month to attend RAA. A monthly statement will be emailed to the financially responsible party. Monthly payments are due and payable in accordance with the payment schedule. No refund will be given for extended absences or vacation periods.

Early Withdrawal

When a student prematurely withdraws from school, a parent or responsible party must fill out a withdrawal form with the office. A student who withdraws during the school year will have the annual tuition prorated. This may result in a credit or a balance on the account, depending on the date of withdrawal.

Mid-Year Enrollment

A student who enrolls after August 31 will have the tuition prorated based on the date of enrollment.

Financial Clearance

Tuition and fees charged to a family account must be paid in full each month to receive financial clearance for overnight trips, semester and final exams, and participation in graduation services for grades K, 8, and 12. Cash or money orders may be required for payment on delinquent accounts. **Accounts must be paid in full by the Financial Clearance Days on December 15, 2026 AND May 15, 2027.**

Registration & Enrollment at RAA

At RAA, we've created a straightforward registration and enrollment process that includes continuous enrollment for returning students.

**All application and registration fees are non-refundable.*

Continuous Enrollment for Returning Students

Once your child is enrolled, they are considered enrolled until they graduate unless you inform us otherwise via FACTS using our opt-out process. Enrollment is not complete until the first tuition payment has been made.

If you are a returning family and do not notify us that you will not be returning, we'll assume your student is re-enrolling for the next academic year. All re-enrolling students will be charged a continuous enrollment fee after the Intent Window closes. Students who opted out but decide to return at a later date will be charged a late, non-refundable fee. All registered families will receive communications about continuous enrollment prior to the new school year.

Please Note: all outstanding accounts at RAA or other SDA schools must be cleared before registration can be completed at RAA.

Delinquent Accounts

Accounts must be kept current. Students whose accounts are more than 30 days past due will be placed on an attendance hold until the amount is paid in full or satisfactory financial arrangements are made. Students with unpaid accounts will not be permitted to take semester exams and participate in school-sponsored activities and/or trips. No refunds will be granted for any days missed due to delinquency-related withdrawal.

A family whose account has been delinquent for several months will be required to sign-up for an automatic plan the following year.

Please see 2026-2027 Tuition sheet for updated tuition costs.
