

**REDLANDS ADVENTIST ACADEMY
GYM A/C FUNDRAISING
Approval to Reallocate Donations**

As we moved further along in the air-conditioning implementation process, the feasibility study revealed some previously unknown factors, causing the original estimate to soar. The updated estimate amount for adding air-conditioning to the gymnasium gave administration pause.

At this time, we would like to request your approval for the modified use of funds donated originally restricted for the gym A/C. The options currently listed on our website for projects we continue to fundraise for are listed below. Please select one of the options listed below or specify another fund of your choice.

- Capital Campaign** - Fundraising for specific purposes approved by the School Board such as construction projects, building and field improvements, and other designated projects. Help us continue to grow!
- Worthy Student** - Donations to this fund will directly impact students and allow those with financial need to be able to attend RAA. Your donation can make a difference in the life of a child!
- Other** - Specify the fund designation that touches your heart!
