

# 2023-2024

## Permission to Leave Campus at the End of School (Walk, Bike or Ride)

Dear RAA Parent of Guardian,

**RAA is a closed campus** and, as such, students are expected to stay on campus during the school day unless they are signed out by an authorized adult. As the parent/guardian, you have the opportunity to give your child(ren) permission to leave school on their own when school has ended. This may be because you live close enough to school for your child(ren) to walk or ride a bike home. You may have a child who is able to drive a car to and from school. Or, your child(ren) may participate in sports after school, but have a break between the end of school and the time practice or a game begins. Please complete this form to indicate the permission you give to your child(ren).
